WELCOME TO MY WORLD - A WORLD UPSIDE DOWN

THE DOCTRINE OF HAPPINESS

We must start Feeling and Thinking.

We Need to Learn how to Understand and Feel the Concrete and Not-Concrete Energies.

We must start Quantifying our Emotional Intellect.

We must also Combine them with our Logical Intellect.

We must dive into my Theoretical world of Dualities and Algorithmic calculations.

After this we shall go through my personal stories: a world of Integrations, nationalities, gender Diversities, and identities - through various Faith and cultural Experiences, marriages,

Changes of occupation, and finally through my Camino Frances

Transformed Ways and Experiences as a Pilgrim.

An Inspirational story for you, who seeks “something”

- “something“ that shows you how important our EQ & IQ are in an Interaction.

A Contemporary Woman’s Journey through Life from

Ancient Persia over land and sea to the land of the Vikings, the great Denmark.

The book is my Original Signature as

The NomaD With

THE RED HIGH-HEELED SHOES

AND 400 HP EQ & IQ.
