

ALFA CONSCIOUSNESS – THE 4 DQ CONSCIOUSNESS ABOUT COMBINED INTELLIGENCE - THE COMBINED BLUEPRINT

DQ1 – DUALITY SCIENCE INTELLIGENCE QUOTIENT

DQ2 – DIGITAL SCIENCE INTELLIGENCE QUOTIENT

DQ3 – DIRECT SCIENCE INTELLIGENCE QUOTIENT

DQ4 – DOMESTIC SCIENCE INTELLIGENCE QUOTIENT

ANCIENT ACADEMY

- What is Consciousness?
- What is Intelligence?
- What does it mean to quantify Emotions?
- How do we Combine the quantified Emotions with the Operational Condition?
- What is Balanced Innovation, Transformation, Integration?
- How can we utilize Vari^(Able) Change, Shifting Change, Constant Change, Motivating Change, Probability^(Ability) Potential^(Ability), Opportunity^(Ability), Change^(Ability), Rejection Factor to achieve Sustain^(Able) Change – Sustain^(Ability)?
- What is Integration^(Ability)®?
- What is Innovation^(Ability)®?
- What is Capacity^(Ability)®?
- What is Balanced Consciousness^(Ability)®?
- What is Divergence^(Ability)®?
- What is Coincidence^(Ability)®?
- What is Wholeness^(Ability)®?
- What is Combined Consciousness?
- What is Combined Intelligence?
- What is Emotional & Operational^(Management)®?

- What is the pulse of your company?
- What is your company's digital language?
- How does your company achieve the right synergy between your Original Signature and the Digital Signature?
- How do you Create a connection between your Original Signature and your external communication?
- How do you Strengthen the connection between, and the position of, your customers through your Presence in the Digital landscape?
- What is the Digital Operational Consciousness?
- What is the Digital Emotional Consciousness?
- What is your company's Combined Condition?
- What will be the Output, when we Combine Input & Output of all of the different Conditions with the strategy from the Emotional & Operational Condition?
- How do you optimize the resources of your company's Digital Footprints?
- How does the Combined Intelligence influence the Digital Footprint / Digital print?
- How does the Digital Intelligence contribute to climate adaptation and the circular economy?

MENTAL & BODY SIGNATURES DQ3 + DQ1

- What is body Awareness / body language?
- How can you use the body language in an Interaction with the business world?
- What does dietary guidance mean to your business?
– Integrate Nature's resources in your everyday Life.
- How can we optimize the personal Energy level?
- How can you drive further on the liter?
- What does our Consciousness have to do with our body / Physical Condition, mental Strength & Intelligence?
- Based On the Diagnosis which we make at A² – of the Conditions of the Emotions – on what and where in the body should we focus to achieve the required target / the required Condition with ease & Optimization of the Wholeness?
- How does our Combined Intelligence influence our bodies?
- How can we optimize the Condition of the body with Combined Intelligence?
- How to Create less stress, bigger Capacity, a new navigation system, showing us a Way with more Balance?

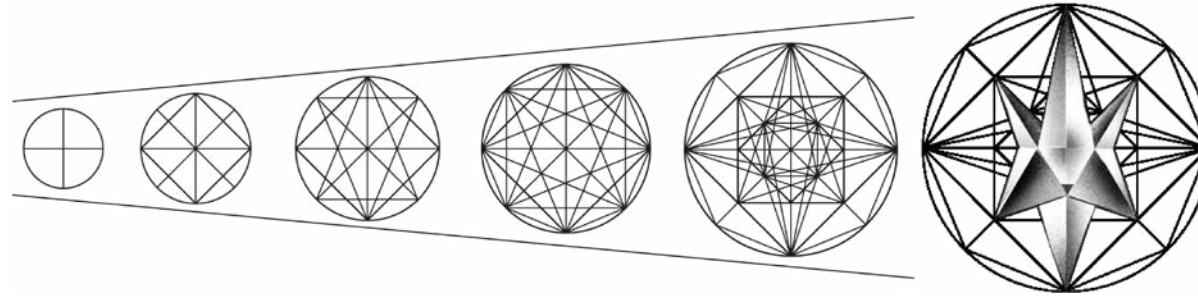

ENERGY & NATURE SIGNATURES DQ4 + DQ1

- What is your Digital, Green print?
- What is your company's Green Consciousness?
- How does Biodiversity contribute to climate adaptation?
- Why are climate adaptation processes streamlined with a Combined Intelligence?
- How does the Emotional Intelligence affect climate, Energy Power, and Biodiversity?
- How can the Emotional Intelligence in Balance contribute to Balanced Operational Condition in the Nature's various Energies / resources?
- How to Integrate, and interact, our mental / Physical body with our profession & Nature's Power and Energy?
- How can we take Advantage of the already accessible resources in Nature as a contribution to our mental and Physical body, as well as in our Operational systems?
- How can the above Develop the Consciousness at the same Time as we add resources & Energy to Nature's intuitive & Instinctive Balance? – Circular Energy – Cradle to Cradle.
- What is a Sustain^(Able) Energy system or product?
- What is Sustain^(Able) business?
